Camp Kateri
SUMMER 2012

Make S'more Memories!

S'mores. The memory of the gooey delight sticks with campers, both new and old. Nothing else has that perfect combination of melty marshmallows, sweet chocolate, and crunchy graham crackers. Camp memories stick in the same way—nowhere else provides memories of fun, friendship, and sunshine like summer camp at Kateri.

At Kateri, girls spend their days conquering new activities, creating memories that will last a lifetime: a bull's eye on the archery range, a tear in the edge of her shirt from building a survival shelter with her new friends, the splash of a paddle in the sparkling water of McCarthy Lake, and the crazy camp songs she just can't stop singing.

Campers come to Kateri to create memories of a time and place in which they are able to enjoy tradition, explore nature, create friendships, and imagine the future—just the way they want it. Campers come in with hopes and fears; they leave with bug bites and smiles.

Though the bug bites will fade, the experiences will not. Like the memory of that perfect campfire dessert, girls will **Make S'more Memories** as they enjoy a summer that will stick with them forever.

ACA ACCREDITED CAMP KATERI

We are proud to recognize Camp Kateri as an accredited camp! This lets you know that our camp adheres to American Camp Association (ACA) standards. Experts in the field of camping review camp operations, including health and wellness, food service, trips, site and buildings, equestrian, aquatic, and general programs. The accreditation standards are reviewed every three years. We are reaccredited as of 2009!

ABOUT CAMP KATERI

Camp Kateri is located just 30 minutes southeast of Gainesville, Florida. The 550-acre site is a beautiful setting for equestrian, aquatic, and adventure activities.

During their stay at Camp Kateri, girls live in cabins, platform tents, and treehouses. Each unit has flush toilets, running water, and electricity in the unit houses. Camp Kateri is owned and operated by Girl Scouts of Gateway Council, Inc.

Strict standards established by Girl Scouts of the USA and the American Camp Association guide camp administrators in safety, staffing, programming, and property management. Camp Kateri is committed to ensuring that participation is a diverse blend of campers and staff, including all races, religions, ethnic backgrounds, and physical abilities.

NON-GIRL SCOUTS WELCOME AT GIRL SCOUT CAMP!

For campers not registered as members of Girl Scouts of Gateway Council, there is an additional charge of **\$30 per session**. Parents give permission for their camper to be registered as a Girl Scout by signing the bottom of the camp registration form.

ACTIVITIES

Though your camper will attend a session with a particular theme, she will also have the opportunity to participate in general camp activities. Your camper will help decide which activities her group will do together; she will also have the option to choose her own activity during Camper's Choice.

Camp Kateri no longer holds records from previous summers, so all campers will need to bring all health information in 2012. Campers are screened at check-in to verify general good health (including head lice check) and proper health information (including medication). Camp reserves the right not to admit an ill person.

TRANSPORTATION

Transportation to and from camp is the responsibility of the parent or guardian. For sessions that include trips off-site, trained staff will transport campers in 15-passenger vans.

FOOD SERVICE

All meals are prepared by a state-certified cook. Most meals are served family style in the dining hall. A snack is provided every day, and at least once a week girls will cook out in their unit. If your camper has special dietary needs or food allergies, please contact the Camp Director **at least two weeks prior** to your session to discuss reasonable accommodations.

TRADING POST

Camp Kateri's Trading Post carries a variety of items for sale: stuffed animals, cups, and other novelty items, as well as stationery and stamps. Please do not include Trading Post money with camp registration fees. Cookie Dough may be used at the Trading Post.
